Champions will be selected in the following categories: *Champion Light Weight Dairy Feeder, Champion Medium Weight Dairy Feeder, Champion Heavy Weight Dairy Feeder, Reserve Champion Light Weight Dairy Feeder, Reserve Champion Medium Weight Dairy Feeder, Reserve Heavy Weight Dairy Feeder* and *Overall Champion Dairy Feeder*. Overall Champion Dairy Feeder will be selected from division (light weight, medium weight, and heavy weight) champions.
5. Each exhibitor may choose from one of the following options. Option A - Each exhibitor may weigh in two dairy feeders at the March weigh in date. Option B - Within immediate families having more than one exhibitor, each exhibitor may weigh in one dairy feeder each, with one feeder being weighed in as a “family alternate.” The “family alternate” must be designated and recorded with the superintendent at first weigh in. Each exhibitor may only bring one animal to the fair to be shown.
6. Feeders will be weighed in on entry day of fair week, and must be at least 400 pounds to be sold at auction. Feeders weighing less may be shown in showmanship classes only, but not sold.
7. Charts must be posted above animals showing show weight and daily rate of gain.
